招生专业

请见《2026年复旦大学外国留学生本科生中文授课专业目录》。

申请时间

第一阶段：2026年1月1日 - 1月15日

第二阶段：2026年2月23日 - 3月6日

申请录取流程及办法

第1步：参加“来华留学本科入学学业水平测试”。

学生须参加由中国教育部国家留学基金管理委员会组织的“来华留学本科入学学业水平测试”（China Scholastic Competency Assessment, 以下简称“CSCA测试”），并获得测试成绩。学生可访问CSCA官方网站（www.csca.cn）查看具体测试时间和内容。

注：针对第一阶段申请，我校接受2025年12月场次测试成绩；针对第二阶段申请，我校接受2025年12月和2026年1月两个场次测试成绩。测试科目请见《2026年复旦大学外国留学生本科生中文授课专业CSCA测试科目》。

第2步:填写并提交网上申请

学生须先注册申请系统,登录后选择“**个人申请→本科生→中文授课项目**”,选择**1**个专业志愿后,填写申请并上传申请材料(申请材料要求请见本简章“申请材料要求”部分)。完成后,请务必点击“提交”按钮。申请网址:<https://istudent.fudan.edu.cn/apply>。

第3步:网上支付报名费

报名费为800元人民币,一经支付,一律不予退还,未支付报名费者申请无效。

第4步:参加面试

经学校审核,符合要求的学生进入面试,面试将重点考察学生的综合素质和汉语水平能力。

第5步:查询预录取结果,支付学费

学生可分别于2026年2月15日、4月10日起在申请系统中查询第一、第二申请阶段的预录取结果。获得预录取资格的学生,须在预录取结果发布之日起两周内通过微信、支付宝、以及外卡(Visa,Master,JCB)等方式支付第一学年学费,确认来校就读。具体付费通知将于预录取结果发布后,通过电子邮件形式发送。

第6步:下载录取通知书

2026年6月1日起,被录取学生可通过申请系统下载电子版正式录取通知书。

2026 BACHELOR OF MEDICINE AND BACHELOR
OF SURGERY (MBBS) (ENGLISH-TAUGHT)

PROGRAM OVERVIEW

To promote international education, Fudan University began enrolling international students in the English-taught undergraduate medical program in fall 2008. The program aims to nurture high-caliber medical graduates with solid medical knowledge, competent clinical skills, and professionalism, while giving due consideration to the possible needs for them to serve in countries outside China. Graduates of the program will have the ability to work in medical and health institutions, making meaningful contributions to the areas of patient care, education, and research.

The program follows the principles of consolidating academic knowledge, with emphasis on technical skills, interdisciplinary studies, and clinical practice. Excellent students will have the opportunity to participate in overseas clinical internship programs. After completing the required number of credits, students will be conferred a diploma from Fudan University, and qualified students will receive a degree of Bachelor of Medicine and the Bachelor of Surgery (MBBS). Graduates will have the opportunity to register for medical licensing exams in accordance with the requirements of the relevant regulatory bodies of the countries in which they choose to practice.

2026 UNDERGRADUATE INTERNATIONAL PROGRAM IN DATA SCIENCE AND BIG DATA TECHNOLOGY (UIPDB) (ENGLISH-TAUGHT)

PROGRAM OVERVIEW

Offered by School of Data Science (SDS) of Fudan, UIPDB is a four-year full-time undergraduate program of Data Science and Big Data Technology with a focus on data analytics and technology applications. It provides students with a comprehensive background in statistics, computer science, mathematics and applied disciplines related to big data, together with an in-depth understanding of interdisciplinary studies and artificial intelligence. Elective courses are offered in three specialized modules: Statistics and Analysis, Systems and Data Mining, and Data Science for Social Science.

Our graduates would be well equipped to accept the positions with leading internet companies, financial institutions, as well as to be employed in government departments. This major is also fully prepared for graduate studies, such as in statistics, computer science, business analytics, or medical analysis.

Mission

To equip our students with solid data science knowledge, creative minds, practical skills, leadership spirit and social responsibility that lead to both advancement of wisdom and success in big data-related industries.

Highlights

- The first School of Data Science established in China, characterized by interdisciplinary integration, with big data analytics as its core, and supported by three foundational disciplines: statistics, computer science, and computational mathematics. It engages in in-depth interdisciplinary research and promotes the application of achievements across fields such as information science, life sciences, medicine, economics, sociology, management, environmental science, and engineering. The school is also dedicated to cultivating talent in the field of data science.
- Taught in English (courses offered by SDS)
- Curriculum in line with international standard that facilitates global recognition and international exchange
- Courses for an in-depth understanding of China
- Rigorous academic training and professional mindset fostering
- Outstanding faculty
- Student-oriented academic and career support

2026 INTERNATIONAL ORGANIZATIONS AND
GLOBAL GOVERNANCE (IOGG) (ENGLISH-TAUGHT)

PROGRAM OVERVIEW

The International Organizations and Global Governance undergraduate program is a four-year Bachelor of Laws degree taught entirely in English. It focuses on the theoretical foundations and practical development of global governance, international organizations, and international relations, equipping students with the skills and knowledge needed to engage with the complexities of the global system.

Mission

The program is committed to cultivating well-rounded individuals who excel in moral, intellectual, physical, aesthetic, and labor development. Its goal is to provide students with a solid theoretical foundation and practical capabilities, enabling them to systematically master the theories and practices of global governance and international organizations, understand international rules and norms, and develop the capacity to analyze and solve complex global issues.

Vision

We aspire to nurture graduates with a global outlook, innovative thinking, professional ethics, and strong social responsibility. Students will be encouraged to become independent critical thinkers and lifelong learners, capable of interdisciplinary collaboration, leadership, and meaningful contribution to global society.

Highlights

- **Fully English-Taught:** A four-year Bachelor of Laws program conducted entirely in English.
- **Comprehensive Training:** Integrates theoretical learning with practical skill-building for global governance and international organizations.
- **Interdisciplinary Approach:** Emphasizes knowledge across disciplines, fostering analytical and problem-solving abilities.
- **Career and Research Pathways:** Prepares students for roles in international organizations, government agencies, NGOs, and international business, while offering a solid foundation for advanced academic research.
